Das beste Eheberatungsbuch!Von LuisaMich hat der Titel von Anfang an sehr angesprochen, deswegen kaufte ich es mir auch. Aber das Buch hat meine Erwartungen frmlich bertroffen! Die Themen sind sehr ehrlich, offen und sehr

inspirierend und betreffen das Fundament und Herz einer Ehe nicht nur die Oberfläche. Es eignet sich auch sehr gut zur Vorbereitung auf eine Ehe - denn ein Boot lässt sich außerhalb des Sturms besser flicken :) Ich kann es nur wärmstens weiterempfehlen! 0 von 0 Kunden fanden die folgende Rezension hilfreich. grandios! It contains a lot of interesting theories, that every married couple should at least think and talk about.

Kurzbeschreibung What the Eldredges bestsellers *Wild at Heart* did for men, and *Captivating* did for women, *LOVE WAR* will do for married couples everywhere. John and Stasi Eldredge have contributed the quintessential works on Christian spirituality through the experience of men and the experience of women and now they turn their focus to the incredible dynamic between those two forces. With refreshing openness that will grab readers from the first page, the Eldredges candidly discuss their own marriage and the insights they've gained from the challenges they faced. Each talks independently to the reader about what they've learned, giving their guidance personal immediacy and a balance between the male and female perspectives that has been absent from all previous books on this topic. They begin *LOVE WAR* with an obvious but necessary acknowledgement: Marriage is fabulously hard. They advise that the sooner we get the shame and confusion off our backs, the sooner we'll find our way through. *LOVE WAR* shows couples how to fight for their love and happiness, calling men and women to step into the great adventure God has waiting for them together. Walking alongside John and Stasi Eldredge, every couple can discover how their individual journeys are growing into a story of meaning much greater than anything they could do or be on their own. From the Hardcover edition. **Pressestimmen** *Love War: Finding the Marriage You've Dreamed Of* The Eldredges' newest book has bestseller written all over it. The pair addressed men and women separately in *Wild at Heart* (John) and *Captivating* (Stasi) and now put that knowledge together in a book on marriage. Christianity, they say, is a love story set amid war, with marriage a living, breathing portrait laid out before the eyes of the world so that they might see the story of the ages. For them, marriage is the perfect storm that brings together basic differences in men and women, individual styles of relating, sin, and brokenness. The Eldredges offer sound advice on topics such as the delights of companionship, understanding the enemy is Satan and not your spouse, finding your marriage's mission, taboo topics, and, yes, sex. They are honest and forthright, never skirting a difficult issue; instead, they offer hope, insight, and their own lives as examples of what God can accomplish. Their summation of marriage: It can be done. And it is worth it. So is this book. -- Publishers Weekly, Starred John and Stasi nailed it. This book opens to an untouched snapshot of a real, live redeemed marriage and closes with hope and hunger for our own. These two have proved again and again that they're willing to put themselves out there for somebody else's sake. Is it any wonder God uses them like He does? The moment we decide to throw more energy into fighting for our mate than with him, the crack of a fist on the enemy's jaw splits the ears of angels. **Beth Moore** Author of *Get Out of That Pit* and *Breaking Free* John and Stasi Eldredge lead us into the heart of marriage...not as we always dreamed it would be, but as it really is... a relationship between two flawed individuals who are discovering together that marriage is difficult. Their willingness to speak honestly about their relationship proves their point... that loving costs everything but loving is always worth it. If you are willing to fight for the love and happiness God intended your marriage to provide, every chapter of *Love War* will cheer you on! **Dr. David Jeremiah** Senior Pastor, Shadow Mountain Community Church Founder CEO, Turning Point I need help to grow as a husband. I have written a few books on marriage, but I am never done reading, reflecting or wrestling with the issues that keep my marriage from being sweeter and deeper. John and Stasi offer a courageous, honest, and compelling picture of what is involved in growing beyond one's initial commitment and desire for intimacy. This is a book of wisdom and hope for those who want more than mere complacency or convenience. It is a beautiful labor that will move your marriage to far deeper joy. **Dan B. Allender** Professor of Counseling Psychology, Mars Hill Graduate School Author, *Intimate Allies* and *To Be Told* **Pressestimmen** John Stasi Eldredge's book '*Love War*' is the most honest, helpful and healing book on marriage that I have read. I have no hesitation in commending it to every married couple. -- J.
