"Blockbustergeeignet - Blockbusterworty"Von S.B.I loved reading Lisa's book. Actually started reading and never stopped until it ran out.Knowing that all of this really happened first hand had let me believe I might be bored, but NO WAY!Every page was delicately eloquent on topics every travelling person has contemplated. Most stories like thisget lost in weird story arches or side stories. Not hers. Even native speakers might learn a vocabulary or two :)Thank you

so much for stripping down in front of the world and sharing this blockbuster-worthy story of your life! Ich habe es geliebt, Lisa's Buch von Anfang bis Ende durch zu lesen. Ich dachte erst, dass ich aufgrund meines Vorwissens, wie diese Geschichte passiert ist, gelangweilt sein könnte, aber ich lag FALSCH! Jede Seite war delikat eloquent über Themen, die jeder Reisende schon einmal mit sich selbst oder andere diskutiert hat. Meistens verlieren sich diese Geschichten in Nebensträngen oder bekommen unnachvollziehbare Sprünge. Nicht ihr Buch. Selbst Muttersprachler können sich die ein oder andere Vokabel neu einprägen :) Danke für diesen Striptease vor der ganzen Welt und dem Teilen dieser Blockbustergeeigneten Geschichte deines Lebens! Keep going :)

Kurzbeschreibung Lisa looks as if she has it made. She has turned her nomadic childhood and forensic psychology training into a successful career as a stress management trainer for humanitarian aid workers. She lives in Los Angeles, travels the world, and her first novel has just been published to some acclaim... But as she turns 31, Lisa realizes that she is still single and increasingly wondering where home is and what it really means to commit to a person, place, or career. When an intriguing stranger living on the other side of the world emails her out of the blue with an extraordinary proposal, she must decide whether she will risk trying to answer those questions. Her decision will change her life. **Praise for Love At The Speed Of Email** Love at the Speed of Email is part grand romance, part travel memoir and part essay on life's most precious gifts. Lisa McKay is a phenomenal writer; clever and comedic, poignant and pitch-perfect. You will love this love story. (Susan Meissner, award-winning author of A Fall Of Marigolds) "A page-turner and a modern-day fairytale. I can't recommend this extraordinary book highly enough." (Nicole Baart, best-selling author of After The Leaves Fall and Sleeping In Eden) "The promise of romance and a whirlwind story perfect for plane rides and beach weekends. Such a treat! A well-crafted memoir, written with a journalist's elegance." (Judge, Writers Digest 21st Annual Self-Published Book Awards, HONORABLE MENTION) A travel memoir with a deep soul, Love at the Speed of Email takes us around the world but always brings us back to the heart of the matter: humanity's longing for place, purpose, faith. Lisa McKay's seamless storytelling helps us find ourselves in every corner of her globetrotting and even learn a little about love along the way. A true pleasure! (Leeana Tankersley, author of Found Art: Discovering Beauty in Foreign Places) **Kurzbeschreibung** Lisa looks as if she has it made.
