Von Jennifer Echols : Love Story (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Love Story (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A promised writing fantasy with sizzling tension between Erin and Wesley... which totally left me coldVon Miss Page-TurnerI've read ENDLESS SUMMER by Jennifer Echols and couldn't stop reading, because it was that good! I'm on

my way to enlarge my fundus of read Jennifer Echols books and I didn't want to miss out on LOVE STORY. In the end, I had to admit that it wasn't what I'd expected it to be. I ended up with a rather dull reading experience, no super sweet romance ecstasy known as a coercive side effect of a Jennifer Echols novel. Protagonist Erin grew up on a horse farm living with her rich grandmother. Now she no longer wants to be everybody's darling or controlled by her grandmother, and therefore moves to New York City to face real life on her own. She learns that she has to work hard in order to secure her subsistence. Sometimes Erin has an annoying way to complain about her great loss of her old privileged life. But I like that she's tough and, besides all the lamenting, still fights for her dreams to come true. She learns how to be independent and make new friends. I was really into her dream to live in New York and study to become future writer. What reader doesn't love that idea?! The story's set on campus and we follow Erin on her daily routine between college and her job. Writing class was a place that felt good, although there was always a certain tension between the participants that felt a bit enervating. Of course there's a boy. Wesley, a boy Erin knows all too well. A boy from her past at the horse farm, her stable boy. And Wesley appears definitely with his own motives in mind. Wesley was an ok love interest, but not someone who threw me off my feet with his overwhelmingly charming personality and handsomeness. Now with the prospect of creative story writing, and Erin Wesley's stories relating in some way to each other and to their past, I expected super hot stories and flirtatious writing sessions. In the end the stories they wrote for class, actually bored me. No need to include them in LOVE STORY. There were hints at erotic aspects in their stories, but they appeared more shallow than anything hot and serious. I just didn't feel the chemistry. THE VERDICT 2,5/5 **/* LOVE STORY - A promised writing fantasy with sizzling tension between Erin and Wesley... which totally left me cold. If you want to discover the Jennifer Echols bookish universe, I would recommend to start with another book of hers. If you've read every of Jennifer's books and can't stop to extend your collection, you should probably get it. But if you are looking for an exceptional contemporary romance, look elsewhere. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ganz nett, aber mehr nicht. Von Disneyfan Das Buch bietet eine ganze nette, aber seichte Unterhaltung zum Sonntag Nachmittag, mehr leider nicht. Vielleicht bin ich aus dem Alter einfach raus, aber mir waren die 'Handlung' und das Verhalten der Charaktere zu bierspannt und unplausibel. Erst werden Probleme konstruiert, die keine sind, und dann lesen sie sich genauso schnell wieder von selbst. Das macht es zum einen schwer nachvollziehbar und zum anderen mitunter unglaubwürdig. Wer darüber hinwegsehen kann, mag das Buch gern lesen; unbedingt weiterempfehlen würde ich es allerdings nicht.

Kurzbeschreibung SHES WRITING ABOUT HIM. HES WRITING ABOUT HER. AND EVERYBODY IS READING BETWEEN THE LINES. For Erin Blackwell, majoring in creative writing at the New York City college of her dreams is more than a chance to fulfill her ambitions; it's her ticket away from the tragic memories that shadow her family's racehorse farm in Kentucky. But when she refuses to major in business and take over the farm herself someday, her grandmother gives Erin's college tuition and promised inheritance to their maddeningly handsome stable boy, Hunter Allen. Now Erin has to win an internship and work late nights at a local coffee shop to make her own dreams a reality. She should despise Hunter . . . so why does he sneak into her thoughts as the hero of her latest writing assignment? Then, on the day she's sharing that assignment with her class, Hunter walks in. He's joining her class. And after he reads about himself in her story, her private fantasies about him must be painfully clear. She only hopes to persuade him not to reveal her secret to everyone else. But Hunter devises his own creative revenge, writing sexy stories that drive the whole class wild with curiosity and fill Erin's heart with longing. Now she's not just imagining what might have been. She's writing a whole new ending for her romance with Hunter . . . except this story could come true. Kurzbeschreibung SHES WRITING ABOUT HIM. HES WRITING ABOUT HER.
