KurzbeschreibungThe revealing and honest autobiography of Britain's leading National Hunt trainer. Paul Nicholls is the former jockey who began training in 1991. Gradually he built up a reputation as one of the most astute and successful trainers in the business, with a special knack for getting it right on the big occasions. His depth of resources meant that on a unique occasion at Wincanton in January 2006, he became the first trainer ever to have six winners on a card. But it is for his role as the trainer of horses such as See More Business, Kauto Star and Denman, all of them Cheltenham Gold Cup winners, that he is best known. In this revealing and honest memoir, Champion Trainer Nicholls explains how he got to the top of his sport, and provides a fascinating insight into his methods and to the horses, jockeys and owners that have helped him achieve so much. Packed with insider stories that all race fans will love, and a foreword from Sir Alex Ferguson, this is without doubt the essential racing book for 2011.
