My daughter liked it a lotVon Alexander Matis"Lucy goes to the Halloween Party" is a fantastic book for early readers, as the dog is very cute, the pictures are very nice and the text is easy to follow for pre-schoolers. The book is also written in a very interactive way (e.g. the readers are asked what kind of hat or cape Lucy should wear to the Halloween party, with many options to choose from). New words are learned on the go and repeated towards the end of the book. As a small addon there are also some illustrated Halloween jokes on the last pages of the book. My daughter fell in love with Lucy. I can fully recommend this book for any pre-schoolers who start learning to read.

KurzbeschreibungLucy the cute little puppy loves to have adventures, and she loves to help early readers learn to read. With simple sentence structure, repetition, rhyming, and lots of fun pictures, learning to read is fun with Lucy.Sight words and hilarious Halloween jokes are included at the end of the book.KurzbeschreibungLucy the cute little puppy loves to have adventures, and she loves to help early readers learn to read.
