Hinreissende GeschichteVon EddyssimoLuis erzht seine Lebensgeschichte sehr ehrlich und man merkt wie ihm seine persnlichen "Fehlgriffe" / Konfrontationen nachgehen.Seine starkes Temperament und bereifer fr den Erfolg auf dem

Platz reißen ihn im extremsten Moment zu einer unnachvollziehbaren Handlung (3x Beissattacke) hin, die er beraus betroffen immer wieder bereut. Aufgrund seiner vielen Vorgeschichten macht er sich vor allem während seiner Zeit in Liverpool einen sehr schlechten Namen in der englischen Presse. Dadurch wird er auch in die Geschichte mit Patrice Evra von ManU hineingezogen, der ihn von schrfstem Rassismus beschuldigt. Es prasselt so richtig auf Luis ein... kaum hat er eine Ohrfeige eingefangen, da schlg't's schon wieder bei ihm ein... Er ist nun IMMER der Schuldige und stets im Rampenlicht..... er will von England weg.. muss sich aber noch gedulden.... bis dann endlich die Erlsung aus Spanien kommt.. der FC Barcelona !!! Wenn man das Buch gelesen hat, dann hat man wirklich das Gefhl, dass man Luis Surez als Mensch ein bisschen besser kennt... empfehlenswert fr jeden Fussballfan... 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great read - a bit short Von Heber Ferraz-Leite Fascinating to see the person behind the player, and to read what goes on behind the scenes in football. Four stars instead of five, because I would have liked it to be a bit longer and go into more details.

Kurzbeschreibung Luis Surez was a young boy already in love with football by the time his family moved from the countryside to Uruguay's capital, Montevideo. The guile and trickery of the street kid made an impact with the country's biggest club, Nacional, before he was spotted by Dutch scouts who brought him to Europe. Surez was lured from Ajax to Merseyside by another iconic number 7, Kenny Dalglish. From that moment, he terrorised Premier League defences, driving a resurgent Liverpool towards their most exciting top-flight season in 24 years. But there is another side to Luis Surez: the naturally fiery temperament which drives his competitiveness on the pitch. There was the very public incident with Patrice Evra of bitter rivals Manchester United, and the biting of Chelsea defender Branislav Ivanovic. Then during the World Cup finals in Brazil, in a physical encounter against Italy, he bit defender Giorgi Chiellini on the shoulder. Banned from football for four months, derided by the press, he was marched out of the country. In the summer's final twist, he became one of the most expensive footballers of all time, moving from Liverpool to Barcelona. In his first season at the Nou Camp he helped Barca to La Liga and Copa del Rey titles, scoring 16 goals in 27 games. In Crossing the Line, Luis Surez talks from the heart about his intriguing career, his personal journey from scrapping street kid to performer on football's biggest stage, and the never-say-die attitude that sometimes causes him to overstep the mark.
