Luther for Our Times Von Pastor Alan Hafner Dr. Ernest Schwiebert, who died on March 10, 2000 at the age of 104, described this book as his greatest accomplishment (Deshler, OH Flag, March 23, 2000). Researched and written on location in Germany in 1950, the book analyzes conditions surrounding the Lutheran Reformation according to history, politics,

the church, and academia - a daunting task for one book. But the author organizes his material well and one of his specialties, the analysis of the Reformation as a university movement, comes through clearly and cleanly in this work. Both those familiar with Luther's life and those exploring it for the first time will appreciate how Dr. Schwiebert brought scholarly research on the topic into the reach of many people.

KurzbeschreibungEnhanced by illustrations and line drawings, *Luther and His Times* examines the early years and development of the great reformer of the church. The author examined available primary and secondary source materials in America and Germany to prepare this unique study of Luther.
