Von Tim Skelton : Luxembourg (Bradt Travel Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Luxembourg (Bradt Travel Guides):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A MUST buyVon Stephen LyonsI moved to Luxembourg 40 years ago and learned to love the country, so much so, that

in 1998 I sat the Luxembourg City Tourist Office examinations. Since I have been an official guide, so feel that I am somewhat qualified to comment on this guidebook. It is a MUST for anyone planning to visit the Grand Duchy, a mine of useful information, hints, tips and suggestions, with many maps and photos. Although being extremely factual, it is never boring (like some other guides I have read). Tim Skelton writes in an easy to read manner and it is sprinkled with many examples of his English humour (check out the Latin name of the rare Luxembourg Red Lion in the Natural History Conservation section on page 4!). The one and only guidebook devoted exclusively to Luxembourg, worth every penny or cent.

Kurzbeschreibung Despite being one of the smallest countries in Europe, Luxembourg packs a remarkable punch. Boasting hilltop castles, picturesque villages dotted within spectacular valleys, and more Michelin-star restaurants per capita than any other country in the world, this tiny nation has a great deal to offer. Fully updated for this third edition, Bradt's Luxembourg remains the only standalone guidebook to the country. Crammed with detailed coverage of history, culture and transport, plus practical advice on where to stay and eat, this entertaining and instructive handbook is a must-have for anyone wanting to discover the world's last remaining Grand Duchy. **Pressestimmen** "The well-kept tourist secret that is Luxembourg is about to go global after a second information-packed travel guide to the country hits bookstores." *Luxemburger Wort* May 2012 "The secret of a good travel story is that it makes you want to book your ticket right now. That was my response after reading Tim Skelton's Complete Guide to Luxembourg." Simon Calder, *The Independent* **Kurzbeschreibung** Despite being one of the smallest countries in Europe, Luxembourg packs a remarkable punch. Boasting hilltop castles, picturesque villages dotted within spectacular valleys, and more Michelin-star restaurants per capita than any other country in the world, this tiny nation has a great deal to offer. Fully updated for this third edition, Bradt's Luxembourg remains the only standalone guidebook to the country.
