Von Connie Tindale : Luxor Lexicon (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Luxor Lexicon (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr gute bersichtVon MassaiDieses Buch ist mit mir, als ich zum ersten Mal in Luxor war, mit gereist. Sehr viele wertvolle Tipps ermoglichten es mir, innerhalb relativ kurzer Zeit viel mehr zu sehen und zu erleben, als es ohne

gewesen wre. Dieses Bchlein ist u.a. eines meiner "Begleiter", wenn ich in Luxor bin.

KurzbeschreibungThe Luxor Lexicon is not a conventional 'Guide to Luxor' listing hotels and restaurants or a treatise on Egyptian history; it is simply an A-Z insight to the things I learned during fifteen years of living and working in Egypt which is a fascinating country. It is a personal view of Luxor but gives the information that I wish I had been able to read when I first came to live in Egypt with its big smiles, constant sunshine and bewildering culture. It is in dictionary format so just look up the name of the Pharaoh, God, Goddess, Temple or Tomb that you are interested in and read all about it. Luxor is ancient Thebes and its history goes back thousands of years. For centuries it has interested Archaeologists and Egyptologists of many nationalities and thousands of tourists visit every year. One day it will be the biggest open-air museum in the world. We hope that this book will help you enjoy it. (All Proceeds are for charity).
