Von Valentine Kirychenko : Lydia's Child (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lydia's Child (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Unglaublich gut! Von Dwight Steven-boniecki Von Anfang bis Ende knnte Mann nie aufhren zu lesen. Es hat alles drin was gebraucht ist ein gutes geschichte zu machen. Unglaublich ist das Alles warheit ist. Kreig ist beschissen und mit Lydia's Child sieht mann klar und deutlich wie die klein, normale Menschen getroffen sind. Sehr sehr empfehlenswert

egal ob Es nur auf englisch ist.

KurzbeschreibungSynopsis:This is the amazing true story of the struggle and survival of the authors family, caught up in the upheavals of World War I, the Russian revolution, Communist rule, and World War II. Valentine Kirychenkos mother, Lydia, and Lydias family were sent to Siberia at the start of WWI. While returning home after the war ended, eight-year-old Lydia and her two sisters become separated from their mother, Louiza. The girls grow up in the chaos of the Stalin regime, facing oppression, starvation, with death always threatening. During WWII, Lydia and her husband, Ivan, struggle to protect the family during the German occupation. Lydia finally finds her mother and they became reunited. But then the family is taken to Germany to work as slave labor in the munitions factories, enduring unrelenting bombing raids until the factory is destroyed. They manage to find jobs in a village, finally safe until the wars end. After four years in a refugee camp post-war, Ivan moves his loved ones to Australia, beginning a new life far from war-ravaged Europe. Here they grow and prosper in a safe and happy environment. Even when ordinary people are buffeted by forces beyond their control, they can do extraordinary things. About the Author: Valentine Kirychenko wanted to tell his parents story. In the context of a migrant family in a foreign country, I realized how their bravery and sacrifice ensured my survival. He is a medical doctor and lives in Sydney, Australia.
