Kurzbeschreibung A warmhearted, delectable novel about what it means to love and be loved. When Stella Madison's food-loving parents help her land a summer job at the local newspaper, there's only one catch: she's expected to write about food. Luckily, Stella has Jeremy, the hot new intern at her mom's restaurant, who's more than happy to help. But where does that leave Stella's boyfriend, Max, who recently dropped the L-word? And could her separated parents be cooking up romances of their own? Stella Madison's summer of food and love is a great read full of broken hearts, broken promises, and broken eggs. A must for anyone who eats. E. Lockhart, author of *The Boyfriend List* This book got all the right ingredients: friends, family, boys, and food. The perfect summer read! Sarah Dessen, New York Times bestselling author of *Lock and Key* and *Just Listen* From the Hardcover edition. **Kurzbeschreibung** A warmhearted, delectable novel about what it means to love and be loved.
