KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. cool comicVon David arkemait's a book that follows a story about 5 guys in mexican wrestling custom. It's an awesome graphic novel full of humor, especially because most of the Tikitis comics are french. If you want to read more Tikitis you might try Lucha Libre. It's a good book, even if it's 25,- euro. Recomendated to everyone who reads graphpic

novels/comics.

KurzbeschreibungA group of retired Lucha Libre masked heroes hope for well-deserved peace and quiet on a small Polynesian island. Unbeknownst to them, their greatest adventures have yet to come ! Philoloco, Doctor Sumo, Polynome Z and Cerebrex are four retired Luchadores known as The Tikitis. They thought life would be easy living on a savage island. Boy, were they wrong ! Amidst dealing with growing old, the foursome accidentally find themselves in the most wild of habitats, where world-threatening evildoers regularly create turmoil.
