weitere Mitwirkende Andre Norton was the pen name of Alice Mary Norton (February 17, 1912-March 17, 2005) author of hundreds of fantasy and science fiction novels and stories. Though she had intended to become a teacher, the depression forced her to change plans and become a librarian, a career she followed until she could become a full time author. Her first novel was published in 1934. She began writing science fiction in the fifties, continuing until her death. She received both the Gandalf Grand Master Award from the World Science Fiction Society and the Damon Knight Memorial Grand Master Award from the Science Fiction Writers of America.
