Learning, learning, learning Von Ramey Rieger The translator Training Textbook is well written, informative and edifying. Not being one to sit at the computer and read, but preferring to have paper in my hands and pick up the book at any given opportunity, it suits my needs perfectly.

Kurzbeschreibung The Translator Training Textbook is the #1 training resource on becoming a professional translator. This textbook contains free videos, a discussion of ethics, practical career advice, a glossary of critical translation industry terms, and most importantly expert interview transcripts from the most successful translators in the industry. This is a required text in the Certified Translation Professional (CTP) program which is a self-paced training and certification program for professional translators. To learn more about this program please see <http://TranslationCertification.org> If you are working to become a more successful translator you need this textbook.
