KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A fine collection of Mark Twain's best travel pieces.Von Midwest Book ReviewIt's easy to envision Twain as an American traveler on a steamboat up the Mississippi, but he actually was a world traveler, spending most of his time on the road from age 18 onward and crossing the Atlantic 27 times in the course of his life, writing about his adventures and experiences overseas. His letters and serial writings are culled by Neider to provide this fine collection of his best travel pieces.

KurzbeschreibungMark Twain keen wit for observing the way we live is best scene in his non-fiction travel writing. Collected here are six of his travels with an active table of contents. Also included is commentary, plot summaries of major works, and a short biography about the life and times of Mark Twain.Included in this collection:Life on the MississippiRoughing ItThe Innocents AbroadA Tramp AbroadFollowing the EquatorSome Rambling Notes of an Idle ExcursionPressestimmenFascinating (Chicago Tribune)More than a sampler, this is a delightful profile of Twain on the go and the world of his time.
