Von Lauren Morrill : The Trouble with Destiny before purchasing it in order to gage whether or not it would be worth my time, and all praised The Trouble with Destiny:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gut fr ein paar niedliche LesestundenVon Tanjas RezensionenLauren Morrills Bcher fand ich bisher immer super s und witzig und deshalb hatte ich mir auch ihren neuen Roman vorbestellt. Das Buch liest sich gewohnt locker-flockig in einem Rutsch weg und ich hatte damit ein paar schne Lesestunden. Besonders die Idee mit der Reise der Schulband

auf einem Kreuzfahrtschiff fand ich richtig cool und es war einfach mal ein anderes Setting. Die Protagonistin fand ich auch nett und ich hatte die meiste Zeit keine Probleme damit ihren Gedanken zu folgen. Zu 100% sympathisch war sie mir nicht, aber die hatte Ambitionen und Charakter und ich fand ihre Perspektive sehr angenehm. Es gab mehrere Konflikte im Buch und die Autorin hat es gut geschafft die Balance zwischen beiden zu halten. So geht es zum einen um eine alte Liebesgeschichte und auch darum, die Band vor dem Aus zu bewahren, in dem ein Wettbewerb gewonnen wird. Bis zur Hälfte des Romans war ich auch total in den Bann geschlagen und habe mitgelacht. Allerdings verlor das Buch danach doch etwas an Fahrt. Alles wurde recht oberflächlich gehalten und diesen Sinneswandel der Gefühle zum Ende fand ich echt bertrieben, auch wenn es so war. Leider blieb das Buch doch hinter den Erwartungen zurück. Meant To Be ist noch das beste Buch der Autorin, wie ich finde :D

Kurzbeschreibung "I absolutely loved this book. I never wanted this journey to end!" says Morgan Matson, New York Times bestselling author of *The Unexpected Everything*, of this fun and irresistible contemporary YA about high school romance mischief on the high seas. With her trusty baton and six insanely organized clipboards, drum major Liza Sanders is about to take *Destiny* by storm the boat, that is. When Liza discovered that her beloved band was losing funding, she found *Destiny*, a luxury cruise ship complete with pools, midnight chocolate buffets, and a \$25,000 spring break talent show prize. Liza can't imagine senior year without the band, and nothing will distract her from achieving victory. She's therefore not interested when her old camp crush, Lenny, shows up on board, looking shockingly hipster-hot. And she's especially not interested in Russ, the probably-as-dumb-as-he-is-cute prankster jock whose ex, Demi, happens to be Liza's ex-best friend and leader of the Athenas, a show choir that's the band's greatest competition. But it's not going to be smooth sailing. After the *Destiny* breaks down, all of Liza's best-laid plans start to go awry. Liza likes to think of herself as an expert at almost everything, but when it comes to love, she's about to find herself lost at sea. ***All aboard for hijinks, crushes, and a sweet story of banding together. Emery Lord, author of *Open Road Summer* "I adored this fun and heartfelt book. It's a pleasure cruise from start to finish, with plenty of waves along the way!" --Leila Howland, author of *Nantucket Blue* [Pressestimmen](#) [A] romantic adventure for fans of Stephanie Perkins' *Anna and the French Kiss* . . . readers looking for a light, romantic adventure will eat up Morrills' fast-paced plot and fun writing style. SLJ "Enjoyable . . . a cotton-candy read." --Kirkus "An upbeat story about underdogs, saving something worthwhile, mending fences with old friends, and finding love in unexpected places." --PW "Contemporary romance packed with comical implausibilities and the stuff of band-geek daydreams." --Booklist From the Hardcover edition.
