Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. The Book is about a young guy trying to be on his own. Von Ein Kunde The Truth Trap is about a sad family. Two kids are on their own. This book shows how Matt, the teenager in the book, is really dedicated to his family. His younger sister, Katie is deaf. Matt took care of Katie after their parents die in a car accident. People tried to separate them so they run away to stay together. I wish that Katie had lived. Matt went through a lot of struggles to get the family that he is with now to trust him. All in all this is a good book.

Kurzbeschreibung Winner of the California Young Reader Medal in the high school category and an ALA Best Book of the Year. Following the death of his parents in a car accident, fifteen-year-old Matt McKendrick runs away from his hometown with his small, deaf sister, Katie, to prevent her from being placed in an institution. Reaching Los Angeles exhausted and hungry, they take refuge in an abandoned theater. When Matt returns to the theater after an unsuccessful day hunting for work, he finds Katie gone and the police waiting to accuse him of murder. Alone in a city of strangers, Matt sets out on a desperate quest fighting suspicion, hatred, and his own unbearable remorse and self-doubt to prove to himself and to the Homicide detective who despises him that he is who he says he is. The Truth Trap is the first book in the series.
