Reiseführer zu den Stockcar-RennenVon Thomas NehlertWem die mehr als drftige Berichterstattung im deutschsprachigen Fernsehen ber die Rennen zum NASCAR-Sprint-Cup nicht reicht, der muss wohl oder bel die Reise in die USA antreten, um eines der gigantischen Stockcar-Rennen vor Ort zu erleben. Fr eine derartige Reise ist dieses Buch von Liz Allison, der Mutter des an den Folgen eines Hubschrauber-Absturzes viel zu jung verstorbenen Rennfahrers Davey Allison, eine wertvolle Hilfe. Auf den ersten 30 Seiten gibt sie allgemeine Hinweise zu den Stockcar-Rennen vom Erwerb der Tickets bis zu den Mglichkeiten des Aufenthalts im Strecken-Infield. Sehr hilfreich sind auch die Ausfhrungen zur Wahl der besten Sitzpltze und den Gelegenheiten, ein Fahrer-Autogramm zu ergattern. Den umfangreichsten Teil des Buchs machen die Tipps zu den wichtigsten Rennstrecken der Stockcar-Serie aus. Neben einer Streckenskizze und der knappen Darstellung der Geschichte des jeweiligen Oval- oder Straenurses findet man eine Beschreibung der Parkmglichkeiten, der Souvenirshops, der Hotels, Restaurants und Campingpltze sowie eine Aufzhlung der Gegenstnde, deren Mitnahme an die Strecke erlaubt oder verboten ist. Dazu kommen noch Auflistungen der nahe gelegenen Sehenswrdigkeiten, Krankenhuser und Kirchen. Das fast 400 Seiten dicke Buch erweist sich so als ntzlicher Ratgeber, der allerdings in seiner Gestaltung und Ausfhrung auf recht schlichtem Papier und ohne jedes Foto sehr sparsam ausgefallen ist.

KurzbeschreibungWith 70 million fans, NASCAR is the #2 spectator sport, after football. But unlike football, going to a race is a full weekend of events. From the tailgating, to the qualifying, to the checkered flag and post-parties--there's enough to fill several days at every event, and that's just at the track. Liz has maximized her personal connections with NASCAR insiders to determine what NASCAR fans really want to know when visiting the tracks, and gives practical answers to the most frequently asked questions, including:-- What to do in a medical emergency, and area hospitals with emergency care,-- Area attractions beyond the track, including popular golf courses where you might just spot your favorite driver between races,-- Where to find veterinary services for the furry four-legged members of your family, and much more! From dining, to shopping, to lodging, not to mention what to wear and pack (and what not to) this is a practical guide that no NASCAR fan should be without!Pressestimmen"Liz really knows the ins and outs of getting the most out of a NASCAR race. This is one book every NASCAR fan will want to have handy on race weekend." (Mark Martin, NASCAR Sprint Cup Series driver 2009)"This is the best information guide I've ever seen. Liz has done an excellent job of researching every track and the area around each one. This "track guide" is a must have for NASCAR fans!"
