**Von Ramakrishna Reddy : The Ultimate Public Speaking Survival Guide: 37 Things You Must Know When You Start Public Speaking (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Public Speaking Survival Guide: 37 Things You Must Know When You Start Public Speaking (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Worthy read for people with different level of communication skillsVon Helpful AdviceThe Ultimate Public Speaking Survival Guide written by Rama Reddy is a well-made collection of essential skills for anyone who needs to address to

numerous people in same time which is nowadays almost impossible to avoid in business world. The author collected in his view the most important 37 tips and communication techniques one needs to learn in order to become better speaker or to succeed in directing the listeners in the direction you intend to. Rama Reddy is known speaker who has lot of experience in public speaking in India and US. The Ultimate Public Speaking Survival Guide is his fourth title that for the subject has public speaking, removing of fear when standing in front of numerous people and getting rid of other unpleasant side-effects people not used to public speaking have when put into such situations. Explaining in easy to understand way how to fight the fear, learn how to understand the audience you are addressing, deal with presentation mistakes which cannot be fully avoided even by pros, tips how to behave on stage even if you are not the most handsome in the world, how important is the preparation are among many interesting things that can be found within covers. Therefore, The Ultimate Public Speaking Survival Guide with its simple but helpful lessons will give you enough things to think of in order to enhance your speaking skills improving not only your business life but also providing chance for leading more productive life, feeling better accepted by people who surround you. Though experienced, Reddy wrote this book for people both fully new and semi-experienced in public speaking, though even those with many presentations behind will many times smile remembering occasions in which they learn some of the tips author mentioned. Overall, with his not so detailed (70 pages) but still helpful read, Rama Reddy in The Ultimate Public Speaking Survival Guide collected many good lessons introducing readers to world of better communication which makes his book worthy read for people with different level of communication skills. I was given a copy of this book by the author for the purpose of unbiased review, while all the presented information is based on my impressions.
