Von Gideon Haigh : The Uncyclopedia (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Uncyclopedia (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Sammelsurium (un)bedeutender DingeVon Ein KundeUnterhaltsam ist dieses Buch, zumal einige Themen jedem halbwegs gebildeten Zeitgenossen gelufig sein mssten. Ich wurde einige male berrascht, welche offensichtlich trivialen Fakten, teilweise uerst detailliert, zu Papier gebracht wurden.Die Vielfltigkeit der Themengebiete, die der

Autor anreißt, zehrten jedoch häufig an meinem Nerven. Die Zusammenstellung thematisch unterschiedlichster Artikel mit intellektuellem Tiefgang, kurzer simple Fakten und höchst Trivialem verhinderte flüssiges Lesen. Verglichen mit Ben Schotts Werken beschlich mich das Gefühl, dass "The Uncyclopedia" nur hastig zusammengetragene Fakten sind, um in dieser Nische mit zu spielen.

Kurzbeschreibung Make way for this defiantly idiosyncratic, hilariously illuminating compendium of curiosities you never knew you wanted to know! How do you flirt in Turkish? How do you dump someone in Japanese? What are the names of all the animals ever sent into space? These are just some of the fun and insightful oddities that made Gideon Haigh's The Uncyclopedia a hit overseas. The first ever encyclopedia for the curious, The Uncyclopedia is a compendium of illuminating knowledge and a delight for all inquisitive readers. As proved by Schott's Original Miscellany and the enormous rise in popularity of quiz and trivia nights, arcane knowledge and non-essential facts have never been so popular. At last in one convenient volume, everything for knowledge-hungry readers: Lists of Norse gods Suicide notes of the famous All anyone needs to know about How to toast in 10 languages A list of all the men to walk on the moon Twenty Latin mottoes Fortune-telling techniques Neither trivial nor essential, yet always engaging and illuminating, The Uncyclopedia is the reference book referred to purely for the purposes of amusement--and readers just can't put it down!
