DisappointingVon P. SchoeberII really enjoyed the first book, but this one was a huge disappointment. What's with all

the constant whining? Seriously!

Kurzbeschreibung THE APOCALYPSE JUST GOT WORSE. When remorse drives Cyrus V. Sinclair to abandon his hidden compound, he's unaware of the new dangers lurking in the zombie-infested world. He'll have to wade through the vilest remains of humanity and hordes of zombies to settle scores and find the one person who might understand him. Only this time, it won't be so easy. Zombies and unpleasant survivors aren't the only thing Cyrus has to deal with. Not anymore. His conscience, well-armed fanatics, and a cannibal with a taste for redheads will prove to be his biggest enemies. Cyrus V. Sinclair. The V stands for Well, you'll just have to find out, won't you? Knapp breathes new life into the walking dead with this harrowing, fast-paced sequel. Anti-hero Cyrus Sinclair is a character you won't soon forget! --Jim LaVigne, author of *Plaguesville, USA* Brilliantly unusual characters are the reason that [The Undead Situation] stands out. Bluntly put I've never so thoroughly enjoyed a book full of people that I can't stand. --Jill McDole, Impact Online
