Von Andy Gaus : The Unvarnished New Testament (New Translation from the Original Greek) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unvarnished New Testament (New Translation from the Original Greek):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Snappiest Translation Since the Cotton Patch Von Peter Alexander Andy Gaus has created a snappy, fun-reading translation of the New Testament, that is bold, blunt, direct, sharp, at times rib-tickling and always bright. Anyone thinking that the Bible is difficult to read will have his mind changed after reading this translation. For a refreshing blast that's just a great read, this is the translation. Of great fun to read, especially aloud, is Paul's letter to the Galatians. Of course, as with all translations, there are parts where you'll wince a little, Gaus' is no exception. Nonetheless, this is a great read, a welcome addition to any library, and a great way to encounter the freshness of Christ's teachings.

Kurzbeschreibung This new, innovative translation of the New Testament opens the closed doors of preconception and allows the reader to view these important Greek writings in an entirely different light. Based on a radical and startling premise, *The Unvarnished New Testament* asks "Why not present the New Testament simply as it appears in the original Greek?"
