Von Michael Romkey : The Vampire Papers before purchasing it in order to gage whether or not it would be worth

my time, and all praised The Vampire Papers:

Kurzbeschreibung In the spine-tingling, pulse-pounding tradition of "Interview With The Vampire," a chilling look into the secret world of the Vampiri, which exists around us always -- invisible, unsuspected . . . until we feel the prick of teeth at our neck in a dream and wake up to find . . . an end to all dreaming and a beginning to a unliving nightmare! From the Paperback edition.

Synopsis The malevolent fiend is bent on vengeance, with no rational explanation for his unaltered presence after seventy years--only for the relentless hatred in his dark, impenetrable eyes.
