Von John Lescroart : The Vig (Dismas Hardy series, book 2): A gripping crime thriller full of twists before purchasing it in order to gage whether or not it would be worth my time, and all praised The Vig (Dismas Hardy series, book 2): A gripping crime thriller full of twists:

earlier Dismas Hardy outings - and I wasn't at all disappointed in either case. Lescroart's mysteries are character-driven, well-written and well-plotted - exactly what I look for in a mystery, with the added bonus of a Bay Area setting - a treat for a former Bay Area resident, and for anyone who loves San Francisco and its environs. I recommend it most highly, along with all the other Lescroart mysteries.

good, gritty mystery
Von Ein Kunde
The customers who panned this book obviously thought of John Lescroart as a legal thriller writer only. But before he put Dismas back into the courtroom, Lescroart's books were sort of Irish Elmore Leonard mysteries. That may be jarring for people, but come on, folks! Are you really so bound into formula that your brains can't switch gears and enjoy this?
The Vig is a fine mystery with a complex plot, endearing characters, and great dialogue. Anyone who can call this a Grisham wannabe isn't thinking, and recommending a Ludlum wannabe like *The Day After Tomorrow* is CERTAINLY comparing apples to cinder blocks.

I couldn't disagree more with the other customer review of this book. I read 'Hard Evidence' first, and then went searching for earlier Dismas Hardy outings -and I wasn't at all disappointed in either case, just as I haven't been disappointed by later Hardy mysteries (or Lescroart mysteries in general). Lescroart's mysteries are character-driven, well-written and well-plotted - exactly what I look for in a mystery, with the added bonus of a Bay Area setting - an added bonus for a former Bay Area resident, and for anyone who loves San Francisco and its environs. I recommend it most highly, along with all the other Lescroart mysteries.

Kurzbeschreibung
The later you pay, the steeper the price... Dismas Hardy returns in *The Vig*, the second instalment in John Lescroart's stirring series. Perfect for fans of Michael Connelly and Scott Turow. 'The plot twists and turns...Hardy is one of the more real and engaging characters in... crime solving' - Los Angeles Times
Payback is murder. A beautiful woman paid it with her body. A seedy lawyer used somebody else's money. It's the vig - the exorbitant interest mob loan sharks take on their money. Now everyone has to pay... Down-and-out lawyer Rusty Ingraham left behind a murdered woman and a houseboat splattered with blood. All the evidence said Ingraham was in San Francisco Bay. Dead. But a friend of Ingraham's, former cop and prosecutor Dismas Hardy, isn't so sure. And Hardy has to find out, because a stone-cold killer, now paroled, once threatened to kill Ingraham and Dismas Hardy both. To save his own skin, Hardy must face down liars and killers on both sides of the law. From mob foot soldiers to broken-hearted lovers to renegade cops, a dozen lives are tied to the fate of Rusty Ingraham - and the payback has only just begun.

What readers are saying about John Lescroart: '[John Lescroart] develops characters and storylines like no other author I have read' 'Lescroart is a very talented and imaginative crime writer' 'I am never disappointed by any books from John Lescroart'
