KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Hervorragendes und abwechslungsreiches BuchVon Thomas M.In diesem ausgesprochen aufschlussreichem Buch beschreibt Chael Sonnen, einer der besten MMA Kmpfer der Mittelgewichtsklasse, den Alltag und die Erlebnisse in

und um das Oktagon herum. Der gnadenlose Humor des Kmpfers kommt auch hierbei niemals zu kurz, selbst wenn er brisante Themen wie Politik anspricht erheitert seine schonungslose Direktheit immer wieder! Wer ein Buch sucht, indem ausschließlich ber MMA geschrieben wird, der ist hier falsch. Dieses Buch beschreibt viel mehr die gesamte Person und Lebensart von Chael P. Sonnen (Das "P" steht brigens It Sonnen fr Perfektion) dessen Person vielmehr als nur ehemaliger Ringer und aktiver MMA-Kmpfer ist. Neben Politik werden sogar einige Ausflge in Themengebiete wie Gheographie, Geschichte uvm. unternommen. Dieses Buch ist ein absoluter Pflichtkauf fr alle Konservativen, alle MMA-Fans oder auch einfach nur Menschen, die sich an intellektueller Lektre mit dem Gewissen Extra und Humor erfreuen! Also: Nehmt den "VIP Pass" an und lernt ein bisschen wie Chael Sonnen zu sein. ;)

Kurzbeschreibung The book that you are considering buying is nothing short of a VIP Pass to Enlightenment, written by the UFC's most infamous and feared destroyer of men--Chael P. Sonnen. Backwoodsmen and unlearned folk call him the Walking Thesaurus. His contemporaries have bestowed upon him the title Sir Sonnen. And those dwelling in the forgotten, forlorn jungles south of the equator reverently refer to him as filho da puta, a term Sonnen personally deciphered using his mastery of linguistics. It means, simply, "the Great and Humble Bearer of Knowledge." In the coming pages, Sonnen's commentary and tales of heroic adventure will initiate you into the world of superhuman greatness. Allow him to carry you like a frail damsel through the world of professional mixed martial arts as he cuts weight, deals with moronic cornermen, expresses his disdain for focus mitts and punching in general, gets his face rearranged, and finds support and encouragement from fans. Permit him to cleanse your mind's palate and teach you the truth about history, politics, endangered species, cinema, terrorists, music, particle accelerators, and his plans for creating a Chaelocracy, which translates as "a Better Earth." Shower him with praise as he takes you into his manly mitts like a lump of clay and reshapes you in his own likeness. Like all men of myth and legend, Sonnen strives for the betterment of the human race. Prometheus brought us fire; Dana White brought us the modern-day gladiator; and Chael P. Sonnen now brings us the step-by-step guide to being a great human being and patriot. Purchase this book; learn how the world really works from the perspective of a man who has been face-to-face with presidents, wardens, dignitaries, judges, kings and queens, and athletic commissions; and find out if you have what it takes to awaken from your progressive nightmare. There is no better day to stop being you and start trying to be Chael P. Sonnen. The time has come for The Voice of Reason. Chael Sonnen is the best trash-talker in all of sports. Jim Rome Host of The Jim Rome Show I've never seen anything like it. He's the best thing since Muhammad Ali Dana White UFC President

"Over the course of the last few years Chael Sonnen has become one of the most divisive figures in mixed martial arts. The outspoken middleweight is beloved by some and reviled by others, to find an MMA fan without an opinion on Sonnen is virtually impossible. For those that are already fans of Sonnen this book will be a must read. For those that, shall we say, are less than enamored by Mr. Sonnen, this book will provide a glimpse below the surface, exposing the reader to a man that is much more than the one he presents when he is standing in front of a camera with a microphone in his hand."
