Von C.S. Lewis : The Voyage of the Dawn Treader (Chronicles of Narnia Book 5) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Voyage of the Dawn Treader (Chronicles of Narnia Book 5):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Tolle BcherVon KundeDurch Zufall bin ich auf die Narnia Buch Reihe gestoen und kann nur sagen es sind tolle Bcher, sie lassen sich gut lesen. wie meist sind sie natrlich ein bisschen abweichend vom Film, aber trotzdem toll. Die Bcher haben ein schnes Format und sind nicht zu dick. Auch das Cover vom Buch sehr schn gestaltet.0 von 0 Kunden fanden

die folgende Rezension hilfreich. Tolle Zeichnungen! Von Hans Schaunach vorn Ich habe das Buch aufgrund der wunderschönen Zeichnungen gekauft. Die Bilder sind märchenhaft. Zudem war der Preis ein echtes Schnppchen. 26 von 27 Kunden fanden die folgende Rezension hilfreich. Wunderbarer Hörgenuss Von Kindle-Kunde Ich habe als bekennende Narnia-Liebhaberin mit großer Neugier die erste CD in den CD-Player geschoben und konnte nicht eher meine Platz auf dem Sofa verlassen, bis ich alle CD's gehört hatte. Der Erzähler versteht es jeder Person, jedem Tier eine eigene unverwechselbare Stimme zu verleihen (Aslan hat mich sehr beeindruckt) und die Spannung der Handlung zu halten. Ein wahrer Hörgenuss. Hoffentlich werden die anderen Bücher auch noch so gefühlvoll vertont.

Kurzbeschreibung Illustrations in this ebook appear in vibrant full color on a full color ebook device, and in rich black and white on all other devices. Narnia . . . where a dragon awakens . . . where stars walk the earth . . . where anything can happen. A king and some unexpected companions embark on a voyage that will take them beyond all known lands. As they sail farther and farther from charted waters, they discover that their quest is more than they imagined and that the world's end is only the beginning. The Voyage of the Dawn Treader is the fifth book in C.S. Lewis's The Chronicles of Narnia, a series that has become part of the canon of classic literature, drawing readers of all ages into a magical land with unforgettable characters for over fifty years. This is a novel that stands on its own, but if you would like to continue to the journey, read The Silver Chair, the sixth book in The Chronicles of Narnia. de The BBC Radio production of The Voyage of the Dawn Treader is a delightful two-hour sail on the most fabulous ship in Narnia. Lucy and Edmund, with their dreadful cousin Eustace, get magically pulled into a painting of a ship at sea. That ship is the Dawn Treader, and on board is Caspian, King of Narnia. He and his companions, including Reepicheep, the valiant warrior mouse, are searching for seven lost lords of Narnia, and their voyage will take them to the edge of the world. Their adventures include being captured by slave traders, a much-too-close encounter with a dragon, and visits to many enchanted islands, including the place where dreams come true. The adaptation is faithful to its source, C.S. Lewis's series of Narnia books, which have provided exciting and uplifting tales for generations of children. BBC Radio does wonders with sound effects--the ship creaks in the wind, the sorrowful dragon roars lugubriously--and musical cues and interludes that keep the pacing dynamic. There's also a splendid cast of plummy British voices, making this far more than a book read onto cassette--it's an audio drama, as enjoyable as a trip to the theater. Grownups who buy this tape for their children will want to borrow it for themselves. (Running time: two hours, two cassettes) --Blaise Selby.co.uk Book five in the Chronicles of Narnia sees the intrepid Edmund and Lucy returning to Narnia--with their beastly cousin Eustace in tow--on the ship The Dawn Treader where their old friend Prince Caspian is searching for lost friends of his father's. As the children take to the Eastern Seas in their hunt for the friends they find themselves embroiled in a dangerous adventure that leads them once again into the arms of Aslan the lion. This stunning edition of the dramatic and totally enthralling The Voyage of the Dawn Treader, published in celebration of the centenary of CS Lewis, is enhanced by the striking hand-coloured illustrations by Pauline Baynes and benefits entirely from the larger, stylish format that makes it highly collectible as well as the jolly good, classic read that has been treasured by children of all ages since its first publication in the 1950s. --Susan Harrison
