A wonderful collection of war time kindnessVon Blue RosesThis book was commissioned by the Salvation Army to declare the deeds of the brave women who went to help those who did not have the comforts of home. While at times this book was campy in nature and clearly of a direct leaning towards the Salvation Army it also contained many accounts of hard work and perseverance in the face of great physical and mental hardship. The women did everything they could to encourage the young soldiers to act as true heroes. They did things from making donuts to creating a

place where soldiers could come as a refuge from the ravages of war. This book helped me to feel more supportive towards those who serve in the armed forces.0 von 1 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungHardPress Classic Books SeriesKurzbeschreibungHardPress Classic Books SeriesSynopsis He went on. He dozed, only to be sharply awakened by a truck which almost ran him down. He must be more careful, he thought to himself, feeling utterly alone and miserable. But in spite of his resolution his eyes soon closed again. He was awakened, this time by his horse stumbling over some unseen obstacle. He could see nothing in any direction. The blackness and rain shut him in like a fog. He turned at right angles to find the trees which lined the road, but there were no trees. He swung his horse around and went in the other direction, but he found no trees--only an impenetrable darkness which pressed in upon him with a heaviness which might almost have been weighed. He was lost--utterly lost.
