Von Walter J. Ciszek : The Way of a Pilgrim: And the Pilgrim Continues His Way (Image Classics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Way of a Pilgrim: And the Pilgrim Continues His Way (Image Classics):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. This book has it all.Von Ein KundeThis book gives the entertaining tale of a pilgrim who wanted to know how one can pray

ceaselessly as the Bible says. He is led to the "Jesus Prayer." The book tells of his travels through Russia. It is very entertaining. But this book is much more than that. The latter part of the book gives a dialogue between the pilgrim, a priest and a monk. The priest and the monk tell the pilgrim, that one need only pray and nothing else. Prayer alone will help and direct a person on the right path. They then show him how to pray the Jesus Prayer. In this little book is a complete course in theology. Why? Because by prayer alone one can find all knowledge and wisdom from God. Without a doubt, this book belongs in the top five of the greatest religious books ever written. This edition of the book, gives very good instructions on how to pray the Jesus Prayer, which is an easy prayer to do. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Life Changing Von Jo Austin 10 years ago I picked up a copy of The Way of a Pilgrim quite by accident, not knowing what it was about, and it changed and deepened my spiritual direction. As a consequence, its influence has been life-changing. I continue to say the Jesus Prayer as a way of focusing myself on the Spirit of God within and blocking out all distractions. Simply written and easy to understand, this book doesn't require interpretation or great intellect in order to receive the full blessing poured out onto each page. It has a positive and lasting impact on its reader. It goes without saying that the Philokalia volumes should follow on the book list -- or at least some excerpt from the desert father's teachings. This book remains one of my all-time favorites! 1 von 1 Kunden fanden die folgende Rezension hilfreich. A simple text with profound insight. Von joliver@umpublishing.org A wonderful Zen proverb says that "when the student is ready, the teacher will appear." This highly readable account of a Russian peasant in search of pure prayer crossed my path at just the right time. We readers follow the peasant's journey after he hears St. Paul's exhortation to "pray without ceasing." Through monastery and village, through rain and warmth, he follows that hunger that we all feel for a purposeful life, for a deeper awareness of the Divine in our mundane lives. The Way of a Pilgrim mustn't be read only once, but savored and mined with re-reads. The book offers a glimpse through one doorway that leads to a new life -- The Jesus Prayer.

Kurzbeschreibung This enduring work of Russian spirituality has charmed countless people with its tale of a nineteenth-century peasant's quest for the secret of prayer. Readers follow this anonymous pilgrim as he treks over the Steppes in search of the answer to the one compelling question: How does one pray constantly? Through his journeys, and under the tutelage of a spiritual father, he becomes gradually more open to the promptings of God, and sees joy and plenty wherever he goes. Ultimately, he discovers the different meanings and methods of prayer as he travels to his ultimate destination, Jerusalem. The Way of a Pilgrim is a humble story ripe for renewed appreciation today. The recent changes in Russia have revealed the great religious traditions of that land, and this work, freshly translated for modern times, is among the finest examples of those centuries-old traditions. **Kurzbeschreibung** This enduring work of Russian spirituality has charmed countless people with its tale of a nineteenth-century peasant's quest for the secret of prayer. Readers follow this anonymous pilgrim as he treks over the Steppes in search of the answer to the one compelling question: How does one pray constantly?
