Von R.M French : The Way of a Pilgrim: and the Pilgrim Continues his Way before purchasing it in order to gage whether or not it would be worth my time, and all praised The Way of a Pilgrim: and the Pilgrim Continues his Way:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Christian spirituality from the Orthodox traditionVon Kim BoykinThis is the story of an anonymous 19th-century

Russian peasant who wanted to learn to "pray without ceasing" (I Thess. 5:17) and was introduced to the Jesus Prayer--the continuous repetition of "Lord Jesus Christ, Son of God, have mercy on me, a sinner"--a practice that comes from the Eastern Orthodox Church and has its roots in the desert spirituality of early Christianity. I have found this book helpful and inspiring for both my Zen practice and my Christian practice. Incidentally, this is the book that Franny is reading in J. D. Salinger's novel "Franny and Zooey" (which I also recommend). Two good "how to" books on the Jesus Prayer: Irma Zaleski's very concise "Living the Jesus Prayer," and Alphonse and Rachel Goettmann's more comprehensive "Prayer of Jesus, Prayer of the Heart." 0 von 0 Kunden fanden die folgende Rezension hilfreich. Praying Unceasingly - the Prayer of the Heart Von Ein Kunde How does one obey the scriptural imperative to "Pray without ceasing?" The simple pilgrim (we learn his background in bits and snatches) sets out to learn how... from both the wise and the simple he meets on the road. In a period and place where a cup of tea is a rare treat and a book one's sole possession, glimpses of disaster and survival, madness and understanding, suffering and joy, simplicity and layers of implications appear with every turn in the road. "Pray, and do not labor much to conquer your passions by your own strength. For 'greater is He that is in you than he that is in the world,' (1 John 4:4), says holy Scripture." 0 von 0 Kunden fanden die folgende Rezension hilfreich. And to say that there is no life left in Christianity Von Ein Kunde For the Christian mystic, an element that is all but shunned in the current state of the Christian religion, this book will refresh, enlighten and renew your search for Truth and do it within the "confines" of religious doctrine. For the fundamentalist Christian, this book will soften your heart slowly, bit by bit, and before you know it, "the world" will not appear as evil and as frightening as it can sometimes appear.

Kurzbeschreibung With an introduction by Metropolitan Anthony of Sourozh, *The Way of a Pilgrim* presents one of Russia's greatest spiritual classics of Christian truth in an unpretentious literary prose of genuine beauty. An unknown pilgrim of the mid-nineteenth century tells his story of wandering through Russia and Siberia, from one holy place to another, in search of the way of prayer. R. M. French's superb translation conveys the charm of the original as well as brilliantly conveying the spiritual truths of the gospel, which are never bound to or owned by a particular culture. In the much-loved sequel, *The Pilgrim Continues His Way*, the narrator shares more of his story. He describes his journeyings among the holy places of Russia and his challenging encounters with holy people, the desire still burning within him to discover deeper experiences of prayer and draw closer to the heart of God.
