Von Bill Zehme : The Way You Wear Your Hat: Frank Sinatra and the Lost Art of Livin' before purchasing it in order to gage whether or not it would be worth my time, and all praised The Way You Wear Your Hat: Frank Sinatra and the Lost Art of Livin':

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A great insight to the King of Cool's thoughts and beliefsVon Joe OwenWhat a great book! I have read this twice already and didn't put it down until the wee hours of the morning. To read this is to almost be talking to Mr. Sinatra one on one. The author did a great job to give the reader the essance of Sinatra and see what made him "Tick". His views on friends, enemies and lovers is blunt, honest to the point and quite refreshing in this day of political correctness. Alot of important details about how Sinatra looked and dressed are emphasized and are quite valuable to the overall picture. The heydays of the ratpack, relationship with Ava Gardner, Marilyn Monroe and his last love..his wife, are told with a

tinge of regret and admiration, but lovingly honest as well. The man admitted his flaws but his style and personality made his admirers overlook them. I recommend this to anyone who wants to know what the late night swing life of the 1950's-early 60's were like. A fantastic read! Kudos to the author.

Kurzbeschreibung In *The Way You Wear Your Hat*, author Bill Zehme presents a masterful assembly of the most personal details and gorgeous minutiae of Frank Sinatra's way of living: matters of the heart and heartbreak, friendship and leadership, drinking and cavorting, brawling and wooing, tuxedos and snap-brims all crafted from rare interviews with Sinatra himself as well as many other intimates, including Tony Bennett, Don Rickles, Angie Dickinson, Tony Curtis, and Robert Wagner, in addition to daughters Nancy and Tina Sinatra. Capturing the timeless romance and classic style of the fifties and the loose sixties, *The Way You Wear Your Hat* is a stunning exploration of the Sinatra mystique. Pressestimmen ""*The Way You Wear Your Hat*" is a warm, wacky, irreverent...look at Frank's take on and philosophy of life, by an author who understands what it means to be Frank Sinatra. With a little help from the man's own words, Bill Zehme captures the contradictions: the simplicity and the style, the passion and the ice, the party and the pain...the winner who loses and the loser who wins...stories that capture the nature and the essence of the man who invented cool." -- Nancy Sinatra "An essential compendium of Sinatra wisdom on the lost art of livin'. This book is an ode to an era when male conduct was less confused and confidence was king." -- Newsweek ""Not really a biography, it's funny and illuminating without being either lurid or sentimental." -- Elvis Costello "One of the best books ever written about Frank Sinatra. It perfectly captures his style and attitude. You won't be disappointed." -- Sinatra Society of America "A strictly fun style guide for men, with Ol' Blue Eyes as muse." -- Entertainment
