Von Charles H. H. Scobie : The Ways of Our God: An Approach to Biblical Theology before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ways of Our God: An Approach to Biblical Theology:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. treffend, lehrreich, interessantVon nikschnickDas Buch von Scobie ist uerst lesenswert, da es wenig Vergleichbares auf dem Markt gibt. Gewiss, in deutscher bersetzung wrde man sich leichter tun, aber so gehts auch.Scobie zeigt die groen Linien biblischer Theologie auf. Damit leistet er etwas, was in der heutigen "Klein-klein-Diskussion" oft zu kurz

kommt. Empfehlenswert!

Kurzbeschreibung At a time when Old Testament and New Testament studies are considered to be two very different tasks, this major new work by Charles Scobie offers an approach to biblical theology meant to take in the entire sweep of divine revelation. Comprehensive in scope, this book covers every aspect of biblical theology. Chapters are devoted first to the nature and task of biblical theology and then to major themes within the biblical message -- God's order, God's servant, God's people, and God's way. Each section of the book also features an extensive system of helpful cross-references. Not only is Scobie's attempt to bridge the biblical testaments admirable, but he also takes great care to present scholarship that is at the same time informed by, and relevant to, the daily life and work of the church. The result is a book that is relevant to readers everywhere. Accessible to teachers, clergy, students, and general readers alike, this book will reinvigorate the study of the Bible as the unified word of God.
