Von Miranda Lee : The Wedding-Night Affair (Harlequin comics) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wedding-Night Affair (Harlequin comics):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. ever the page turnerVon Lisa Sullivani really enjoyed this book. the story was a good one, with a little something different. the love story was almost heartbreaking and the female lead was not some sappy women. fiona was what a real women would be today, not just the fairytale stuff we are forced read about women. the sex scenes were very passionate between the two characters. overall this was a exceptional book. thanks miranda lee
