Von Diana Cooper : The Wonder of Unicorns (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wonder of Unicorns (English Edition):

Kurzbeschreibung Ancient myths and legends are explained from a higher spiritual perspective in this guide to the amazing energetic beings known as unicorns. Whether aspiring to help the world at large or simply improve a small corner of it, enlightenment seekers can use the meditations, rituals, and ceremonies featured in the book to unleash the great abilities of these elusive spirit guides. Supported by the author's personal-connection experiences, unicorns are revealed not as mere fantasy, but rather similar in presence and power to angels.

Synopsis "The Wonder of Unicorns" is for all those people who aspire to help others and to change the world for the better, even if it is just their small corner of it. In this book Diana Cooper shares her own experience of connecting to Unicorns. She also discusses the ancient myths and legends surrounding Unicorns and explains these from a higher spiritual perspective, thus enabling the reader to fully understand the amazing energetic beings that we perceive as Unicorns. Using the meditations, rituals and ceremonies in this book the reader will be able to connect to their own Unicorn just as they would connect to their own Guardian Angel.
