Von Terry Crouch, James Corbett : The World Cup: The Complete History (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The World Cup: The Complete History (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. concise and detailed overviewVon konrad Dolatavaluable compendium at a most reasonable price. however , strong anglophile

perspective and an error for having Uwe Seeler as scorer for the equaliser just before the final whistle in the most dramatic semi final against Italy in 1970. It was the only ever scored goal by Karlheinz Schnellinger in all his national appearances. And he was playing for an Italian 1st division team at that time risking to be sacked...

Kurzbeschreibung Now in its fourth edition, *The World Cup: The Complete History*, is the only book to give a truly encyclopedic guide to the greatest football show on earth. Fully revised and updated in time for the 2014 finals in Brazil, the book is renowned for its remarkable comprehensiveness. Featuring a separate chapter for every competition; every single result of every match; every single player in every team; all qualifying details; and a detailed round-up of the entire progress of each tournament, it is an indispensable addition to every fan's bookshelf. *Pressestimmen* "This book, with its summaries of every finals tournament and all the results from the latest of qualifying, is a must have" -- Sports Journalist Association "The stats package is superior" -- Simon Redfern, *The Independent* Kurzbeschreibung Now in its fourth edition, *The World Cup: The Complete History*, is the only book to give a truly encyclopedic guide to the greatest football show on earth. Fully revised and updated in time for the 2014 finals in Brazil, the book is renowned for its remarkable comprehensiveness.
