The book that will infuse the reader with a love for Mary Von NYMRON@aol.com This book tells the story of Mary. It is not a biography, but a theological and devotional treatise on the Mother of God. Bishop Sheen adeptly considers the different phases of Mary's life from her Immaculate Conception to her Assumption. He examines Marian beliefs

ranging from her position as Mother of God to her Apparitions at Fatima in 1917, and the importance of the Rosary. Sheen sets out to prove that devotion to Mary cannot be separated from devotion to her Son, Jesus. Likewise, true love for Jesus should lead the disciple to a devotion to Mary. Sheen points out that without Mary, we could not have Jesus and we should love Mary simply because Jesus did! One cannot help but be moved by the author's portrayal of this Woman of Faith. It was Sheen's hope that his book would draw the reader to Mary as he was, "like a piece of iron to a magnet but never without her Son." It is this reader's view that Sheen succeeded admirably.

Kurzbeschreibung With his characteristic eloquence and brilliance, Fulton Sheen presents a moving portrayal of the Blessed Virgin Mary that combines deep spirituality with history, philosophy and theology. Mary's whole life is lovingly portrayed in this word portrait that is a never failing source of information, consolation and inspiration. While considering the different phases of Mary's life, Bishop Sheen discusses various problems common to mankind of every age and reveals clearly that every problem can be resolved. He emphasizes the unique dignity, strength and gifts of women and their ability to help heal the world's problems. Sheen stresses mankind's need of the Mother of God and her burning love for all her children. The great resurgence of devotion to Mary is God's way of emphasizing the worth and dignity of every person against the false doctrines that have so confused the modern world.
