A must-have for all writers, both aspiring and professionalVon corene18@hotmail.comThe Writer's Survival Guide fills a much-needed gap in the marketplace. Inspiring and comprehensive, it details every aspect of the writing life - emotional, creative, practical and professional. What's more, it provides effective solutions to many of the difficulties writers encounter. On top of all that, it's an entertaining and absorbing read - humorous, poignant and universal in its treatment of the subject matter. It is a book every writer should have in his or her library. I recommend it wholeheartedly.0 von 0 Kunden fanden die folgende Rezension hilfreich. Like a mentor guiding meVon Ein KundeI found this title at the bookstore and felt I must have it. My instincts were correct. As a new writer, I have all these issues to deal with, issues I probably wouldn't have if I had never written a story, such as insecurity, worry about someone stealing your story, finding time and place to write, etc. Her book is definitely easy-reading and affirming. Reading this book was like having a mentor, guiding me through the walks of the writer's life. I highly recommend this to all novice writers.0 von 0 Kunden fanden die folgende Rezension hilfreich. OutstandingVon Ein KundeAn excellent book full of tips, commonsense and reassurance. At times reading it is like talking to a Dutch Uncle. I highly recommend it. Ms Simon touches all the highs and lows a beginning or even experienced writer has undergone. Get it, read it, savour and recommend it.

KurzbeschreibungThis inspirational guide for aspiring and experienced writers was originally published in 1997. Written in a friendly, hopeful, and gently humorous tone, it focuses on the creative process and emotional ups and downs of the creative life, providing insights into how to persist in the face of rejection, frustration, feelings of inadequacy, lack of support from loved ones, and more. It also offers practical how-to advice, from organizing your time so you actually sit down and write to reading as a writer. This ebooks rerelease of The Writers Survival Guide includes a new introduction that discusses the origins of the book and how, in spite of the many changes in publishing and technology, it remains relevant today.
