Von Zane Grey : The Young Pitcher (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Young Pitcher (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A great book for anyone who has ever hit a baseball. Von Ein Kunde This book evokes vivid images of intercollegiate sports in the early 1900s. The characters are warm and well-developed. The setting is nostalgic and timeless. Readers will puzzle over "Frosh on the fifth" and chuckle over the potato toss. The reader can feel the despair when Ken finds out what he has done to the Captain of the college baseball team, and feels his chances of making the varsity squad slip

away in an instant. No one can keep from laughing out loud when the perfume is spread or the sweater put on. The combination of setting, characters and good old-fashioned baseball makes for very pleasant reading. Personally, I recommend this book be read every Spring in anticipation of the upcoming baseball season, such as I have done for the last twenty-three years. It is a wonderful way to get in the mood for great battles on the ball diamond, as well as recapture the joys of youth. Reading this book could become as much a pastime as baseball itself. Young adult readers will find this book interesting and fun. Parents will appreciate the role model of young Peg Ward, whose standards of conduct are the highest, even when faced with peer pressures, not unlike those of today.0 von 0 Kunden fanden die folgende Rezension hilfreich. If you like baseball, you will love this story... Von Ronald M. MazakI had a hard time putting this book down. Zane Grey has the feel for what it is really like to be a college baseball player, along with all of its struggles and victories. This is a great story with a great ending. You too will enjoy this story about Ken Ward and all of his fellow teammates. In the end, you will be thoroughly satisfied. Great book!

At first he was sorely puzzled. College was so different from what he had expected. At the high school of his home town, which, being the capita
