**Von Barbara Dee : This Is Me From Now On (mix) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised This Is Me From Now On (mix) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Courtesy of Teens Read TooVon TeensReadTool am a fan of Barbara Dee. She always writes a very good story.This time the story centers on Evie, a seventh grader. She is a part of a trio of friends and has gotten into a rut.In walks Francesca. She is a little strange. She has moved in with her aunt, who lives next-door to Evie. The adults throw Francesca and Evie together, and even though she is odd, Evie feels sorry for her and the two start to have adventures.Her two other

friends feel threatened and stop talking to Evie. Through many mishaps and misunderstandings, Evie learns a lot more about what it is to be a friend. I love Barbara Dee's writing. The characterizations are amazing. Francesca is well-written and she is very interesting. She has a backstory which is sad and makes you understand why she is doing the things she does. Evie's two other friends are silly but very realistic. I teach fifth grade and the fights girls have are very real but most of the time very silly. I loved THIS IS ME FROM NOW ON, and thanks to Barbara Dee for another great book! Reviewed by: Marta Morrison

Kurzbeschreibung In This Is Me From Now On, Evie's new friend Francesca thinks life is dull unless you go after and say whatever you want. Evie can't always tell if she's horrified or fascinated by everything Francesca convinces her to do, but she ultimately comes to understand friendship on a whole new level. Pressestimmen "Poignant and hilarious, This Is Me From Now On is just like real life . . . only funnier." --Lisa Papademetriou "Hilarious and heartwarming! I loved it!" --Lauren Barnholdt, author of The Secret Identity of Devon Delaney Life has been predictable for Evie, and she doesn't expect seventh grade to offer many surprises for herself or her longtime best friends, Lily and Nisha. Then Francesca moves next-door to live with her aunt, and suddenly nothing's the same. A free spirit, Francesca has an elastic relationship with the truth and doesn't mind getting involved in matters that are none of her business as when she tries to engineer a romantic relationship between two teachers, one of whom, as it turns out, is married. Evie is alternately intrigued and infuriated by Francesca's behavior, but there's no doubt that Francesca offers a decidedly different take on life. Dee neatly captures the interactions of middle-schoolers and in Francesca provides a character, who, while larger-than-life, still fits well into the seventh-grade milieu. A quick, fun read. - BOOKLIST, Online Exclusive, November 7, 2010 Kurzbeschreibung In This Is Me From Now On, Evie's new friend Francesca thinks life is dull unless you go after and say whatever you want. Evie can't always tell if she's horrified or fascinated by everything Francesca convinces her to do, but she ultimately comes to understand friendship on a whole new level.
