Von F. Scott Fitzgerald : This Side of Paradise: By F. Scott Fitzgerald : Illustrated (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised This Side of Paradise: By F.

Scott Fitzgerald : Illustrated (English Edition):

Kurzbeschreibung About This Side of Paradise by F. Scott Fitzgerald How is this book unique? E-reader tablet formatted, Font Adjustments 100% Original content Unabridged Edition Author Biography Inside Illustrations included This Side of Paradise is the debut novel of F. Scott Fitzgerald. Published in 1920, and taking its title from a line of the Rupert Brooke poem *Tiare Tahiti*, the book examines the lives and morality of post-World War I youth. Its protagonist, Amory Blaine, is an attractive Princeton University student who dabbles in literature. The novel explores the theme of love warped by greed and status-seeking. Fitzgerald's first novel, reprinted in the handsome Everyman's Library series of literary classic, uses numerous formal experiments to tell the story of Amory Blaine, as he grows up during the crazy years following the First World War. It also contains a new introduction by Craig Raine that describes critical and popular reception of the book when it came out in 1920. Fitzgerald's first novel, reprinted in the handsome Everyman's Library series of literary classic, uses numerous formal experiments to tell the story of Amory Blaine, as he grows up during the crazy years following the First World War.
