But it will also make you smile, as one of those rare books that will change the way you look at the world. The true story of Esther, a teen with cancer, this book is a compilation of her essays, short fiction, journal entries and family photos. You might not expect a 16-year-old with a terminal illness to be funny, but Esther is cleverly so while eschewing bitterness.AuthorJohn Greengotto know Esther after meeting her at a Harry Potter convention, and they formed a meaningful friendship. So meaningful, in fact, that he dedicated The Fault in Our Stars to her and wrote the foreword to this book. Just released, This Star Wont Go Out is one book that will stick with you long after you finish it."Metro New YorkKurzbeschreibungThe reflowable ebook edition of This Star Won't Go Out - the reader can adjust the size of the print to suit their eyesight and reading situation.A collection of the journals, fiction, letters, and sketches of the late Esther Grace Earl, who passed away in 2010 at the age of 16.
