Unvorstellbares wird vorstellbarVon DeirdreWir muessen nur achtsam durchs Leben gehen, dann koennen wir erkennen, welche "Wunder" um uns herum statt finden. Und wir sind ein Teil dieses grossen Wunders genannt Leben. Das zu erkennen hilft Michael Roads auf unaufdringliche Art bis ins tiefste Innere. Und wer mit den Buechern noch

Probleme hat, der kann Zugang zu dem Thema bekommen wenn er einen Vortrag von Michael Roads besucht. Das erste Buch von ihm stand ueber zehn Jahre bei mir im Buecherregal - ungelesen bis auf die ersten paar Seiten. Und dann war der richtige Zeitpunkt und Michael Roads hat mein Leben bereichert auf eine wunderbare Art. Danke Michael! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ich liebe diese Reisen mit Pan Von Sylvia Schmiedelkaum, dass ich ein Buch von Michael Roads ausgelesen hab, warte ich auf das nchste. Bis dahin lese ich die vorhandenen immer wieder. Allein die hinterlegte Schwingung ist schon ein reines Vergngen. Ich kaufe mir die Bcher nach Erscheinen in englisch und spter dann auch in deutsch, wenn sie in meiner Muttersprache herauskommen.

Kurzbeschreibung This is a breathtaking roller coaster of a book, taking the reader to places beyond imagining as my extraordinary metaphysical journeys continue ever deeper into Mystery. As ever, Pan is my teacher; the enigmatic Spirit of Nature. In this book I visit the Buddha, a Buddha beyond anything I ever expected. I visit the mysterious Serpent Mound in Ohio, watching its very construction, and I visit a sacred mountain in Japan where I converse with two very different Gods, and a Goddess. Fascinated by the process of transition, I accompany three people during their moments of death; a Christian, a person who believes that death is The End, and a person who is spiritually evolved. I journey back five hundred million years to witness Earth changes over this vast period, and I study the many probabilities facing us in our present time. I see that Chaos is rising . . . fast. I visit people in their astral bodies over New York City, and London, and get caught in unintended games! I explore and follow the wonder of the torus, journeying deep into the Earth, and I explore the fabulous reality of a fifth dimension . . . our next destination. Finally, I share the three streams of change that I consider the most probable in our time of Earth Changes. All this . . . and more . . . and the journeys with Pan continue . . .
