Von Cheryl Strayed : Tiny Beautiful Things: Advice on Love and Life from Dear Sugar before purchasing it in order to gage whether or not it would be worth my time, and all praised Tiny Beautiful Things: Advice on Love and Life from Dear Sugar:

Kurzbeschreibung This bestselling book from the author of Wild collects the best of The Rumpus's Dear Sugar advice columns plus never-before-published pieces. Rich with humor, insight, compassion and absolute honesty this book is a balm for everything life throws our way. Life can be hard: your lover cheats on you; you lose a family member; you can't pay the bills and it can be great: you've had the hottest sex of your life; you get that plum job; you muster the courage to write your novel. Sugar the once-anonymous online columnist at The Rumpus, now revealed as Cheryl Strayed, author of the bestselling memoir Wild is the person thousands turn to for advice. Pressestimmen Strayed's worldview - her empathy, her nonjudgment, her belief in the fundamental logic of people's emotions and experiences despite occasional evidence to the contrary - begins to seep into readers' consciousness in such a way that they can apply her generosity of spirit to their own and, for a few hours at least, become better people... courageous and engaging stuff. * New York Times * Charming, idiosyncratic, luminous, profane... Sugar is the ultimate advice columnist for the internet age... She shines out amid the sea of fakeness * New Republic * These pieces are nothing short of dynamite... Here at Salon we're reading the columns with boxes of tissue and raised fists of solidarity, shaking our heads with awe and amusement * Salon * Might be one of the most profound yet enjoyable books you will read this summer... Profane, funny and incredibly moving * Irish Times * I couldn't bring myself to stop reading... It made me laugh out loud and it made me gasp with disbelief... The writing is addictively, breathtakingly great -- Viv Groskop * Observer * Kurzbeschreibung This bestselling book from the author of Wild collects the best of The Rumpus's Dear Sugar advice columns plus never-before-published pieces.
