KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. tools which will enhance your lifeVon mary jaworskiThe 25 easy-to-use tools in Phillip Mountrose's award-winning "Tips and Tools for Getting Thru with Kids" comprise this life-enhancing extension of "Getting Thru to Kids". While the

emphasis in "Getting Thru" is placed on the raising of our physical children, "Tips and Tools" widens its focus to include the child within. As we (adults) explore and resolve our inner conflicts, we position ourselves more appropriately in life. It is only from this confident, truthful and loving place that we can truly guide our children (and ourselves) along life's paths. In Phillip Mountrorse's words: "As we discover our truth - and teach it to our children - what a world we will create!" Our family has used this book with tremendous success. As we did with "Getting Thru", we recommend "Tips and Tools" to the entire human race.0 von 0 Kunden fanden die folgende Rezension hilfreich. Imaginative tips and tools that get through to kids!Von Ein KundeThe tips and tools in this book are imaginative, easy to follow and actually work. Few books deal well with how to guide children to make good choices in life. After teaching for two years, I've tried many behavior modification strategies. The tools in this book have been the most helpful. You'll bookmark this book and use it over and over.
