Von SUSAN FOX : TO CLAIM A WIFE (Harlequin comics) before purchasing it in order to gage whether or not it would be worth my time, and all praised TO CLAIM A WIFE (Harlequin comics):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Emotionally gripping, fast-paced readVon Ein KundeCaitlin Bodine has come home to face her father one last time before he dies. She's searching for the love he's denied her her whole life, but instead she finds only contempt and suspicion. In the middle of all her emotional upheaval, she has to deal with Reno Duvall, her first crush and the brother of the man she's accused of killing five years before. Reno Duvall never wanted to see Caitlin Bodine again. The last time he'd seen her had been at the inquest following his brother's death. She'd been exonerated in the eyes of the law,

but Reno could never forgive her for her part in Beau's death and indirectly, his mothers. But now he was forced to share ownership of the Broken B Ranch with her. Seeing her brought back feelings he thought had been long forgotten. Through constant confrontations, Caitlin and Reno have to face their past before they can think about a future. TO CLAIM A WIFE is an emotionally gripping, fast-paced read. I was reaching for my first tissue by page fourteen and got so caught up in the story I couldn't put the book down. Susan Fox has the skill of writing angst honed to perfection. This is a wonderful book. I can't wait for Madison's story in TO TAME A BRIDE.0 von 0 Kunden fanden die folgende Rezension hilfreich. To Claim a Wife claimed a spot in my "keeper" pile! Von Holly Fuhrmann (hfur@aol.com) Caitlin Bodine's home, but maybe it would be better if she wasn't. Old wounds have never healed, and the scabs that have formed over the five years she's been gone are easily torn off, leaving her pain raw and exposed. Reno Duvall is confused by Caitlin. He has every reason to hate her, and yet there's something about her that pulls at him. Caitlin and Reno have to face a tormented past before they can move onto the future . . . a future that might include love if they're strong enough to reach for it. Susan Fox's To Claim a Wife is a powerful story of love and forgiveness. I can't wait until its sequel, To Tame a Bride!

Kurzbeschreibung After her father falls deathly ill, Caitlin must go back to her home in Texas and to the people who detest her, the same people who just five years ago treated her with love and affection. Among them is Reno, who once cherished her like a sister. However, an incident one windy night five years ago changed Reno's warm love for Caitlin into cold hatred Will Reno and Caitlin be able to mend their lost relationship? Kurzbeschreibung After her father falls deathly ill, Caitlin must go back to her home in Texas and to the people who detest her, the same people who just five years ago treated her with love and affection. Among them is Reno, who once cherished her like a sister. However, an incident one windy night five years ago changed Reno's warm love for Caitlin into cold hatred Will Reno and Caitlin be able to mend their lost relationship? Synopsis Reno Duvall blames Caitlin Bodine for his brother's death. He can't believe she has the nerve to return after all these years. So why can't he stop thinking about her? Caitlin is simply too wild to wed, but suddenly Reno finds himself longing to claim her as his wife!
