Intelligent und einfühlsam, aber auch erschreckend realistisch, schildert er, wie aus Verzweiflung Hoffnung wird und aus Hass Vergebung. Die Schauspieler sind hervorragend. Sie schaffen es, im Laufe des Films immer ausgeprägter auszusehen, ohne dass sie groß an Gewicht verloren haben. Jede noch so kleine Gefühlsregung kann man in ihren Gesichtern lesen. Alles an diesem Film ist intensiv, berührend und erschütternd. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The true story Von U. Bendlage Tolles Buch. Die wahre Geschichte des Films "Die Brücke am Kwai". Dieser Film ist rückblickend die schlechteste Verfilmung dieser Geschichte. Die originale Verfilmung stellt nur eine Episode dieses Buches dar.

Kurzbeschreibung Now A Major Motion Picture Starring Robert Carlyle and Kiefer Sutherland Waking from a dream, I suddenly realized where I was: in the Death House in a prison camp by the River Kwai. I was a prisoner of war, lying among the dead, waiting for the bodies to be carried away so that I might have more room. When Ernest Gordon was twenty-four he was captured by the Japanese and forced, with other British prisoners, to build the notorious Railroad of Death, where nearly 16,000 Prisoners of War gave their life. Faced with the appalling conditions of the prisoners camp and the brutality of the captors, he survived to become an inspiring example of the triumph of the human spirit against all odds. To End All Wars is Ernest Gordons gripping true story behind both the Academy Award-winning film The Bridge on the River Kwai starring Alec Guinness and the new film To End All Wars directed by David Cunningham.
