Von Dr. Anita Price Davis Ed.D., English Literature Study Guides : To Kill a Mockingbird (MAXNotes Literature Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised To Kill a Mockingbird (MAXNotes Literature Guides):

KundenrezensionenHilfreichste Kundenrezensionen5 von 5 Kunden fanden die folgende Rezension hilfreich. A great first stopVon Trent M. NicholsonI started using Maxnotes as a beginning teacher, a few years back, so that I could

catch up on some novels that I had never read in college. I was under the gun and had to provide lesson plans in 3 days on 5 novels I didn't know. Maxnotes saved me. Now, some time later, I find myself referring back to those books and buying more of them. Am I still under the gun? No. These books, unlike like those charming ones from my college days, are well organized, insightful, and show a clear understanding of literary device. I have found them so useful that I recommend them to teachers (both new and experienced). They provide perspectives I had never thought of, helpful questions, and practice essays I find myself using again and again. This series is simply the most helpful and concise tool I have ever found. I have even taken to recommending this book to my students. I know bad teacher. However, using this text breakdown and summary along with side by side texts my students have improved their short and long term understanding of literature by remarkable amounts. Dollar for dollar you can not go wrong with any of these books. 1 von 1 Kunden fanden die folgende Rezension hilfreich. it was really helpful in researching the book Von Ein Kunde If you are ever short in time for a book report of anything, got these notes. They were SO helpful! Thank you! 0 von 1 Kunden fanden die folgende Rezension hilfreich. amazing, fab... Von Ein Kunde This book was amazing. The metaphors were outstanding, and the characters breathtaking. Lee was able to capture a child's scarce ability to judge as well as her inability to understand the need others feel to judge. It depicts the struggles of children who are more educated than their peers, in addition to the possibility of their elders being below them in some events, and yet they remain real. I would certainly suggest this novel to anyone looking for a good book to read by the fire on a rainy night. It truly makes one think.

Kurzbeschreibung REA's MAXnotes for Harper Lee's To Kill a Mockingbird MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.
