Meet the true "historical Jesus"Von Ein KundeFrank Sheed was possibly the greatest lay Catholic apologist of our century and has used his extensive knowledge of the Sacred Scriptures and the Catholic faith to help us seek the Face of God, Jesus Christ. After reading this life of Christ, you'll never doubt that there is no difference between the Jesus of history and the Christ of faith. They are one and the same divine Person. With extraordinary powers of synthesis, Sheed weaves together the Gospels into chronological order, then uses them to expound on the truths of Christianity such as the Incarnation and the Redemption. Must reading for any Christian seeking to know Christ Jesus.0 von 0 Kunden fanden die folgende Rezension hilfreich. Jesus Christ Becomes Truly Alive Each DayVon Ein KundeTo Know Christ Jesus is

an inspirational, lucid, significant presentation of Jesus. A reading of this book elucidates the meaning of several passages in the New Testament. Sheed has combined the readable and inspiring prose of Sheen with his own remarkable theological talents and knowledge. I recommend this book for adults, but in particular for teens who have an impersonal relationship with the Catholic (or any Christian) church. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Getting to Know Christ Von Ein Kunde Sheed's work makes the life of Jesus very real to the reader. Not just a read for Catholics, but a good read for any person who wants to get to know the Son of God. Sheed does an excellent job of placing Jesus in his social and cultural context. The goal of the book? To Know Christ Jesus. I know Christ Jesus a lot better now that I've read Sheed.

Kurzbeschreibung An extraordinary new edition of Frank Sheed's classic work. His masterful account of the life of Christ Jesus stands on its own, but Christ walks again among the pages of this book in a unique way: over 100 illustrations from the French artist James Tissot's outstanding series on the Life of Christ have been carefully selected and chronologically placed. Tissot's dynamic realism, combined with Sheed's lucid prose, make this one of the most beautifully illustrated and profoundly moving lives of Our Lord ever published. Here we meet Christ in his obedience, his compassion, his tears, his joy, his relation to Mary and the disciples, and in his unequalled and unsparing words that mined the depths of reality, and of real lives. We come to know Christ as he touched the lives of each person among the multitudes that followed him, and we realize that he is with us likewise--in each moment of our own lives.
