Unforgettable love storyVon DagmarChris Perez's shares memories of Selena and their strong relationship cut so tragically short at their young age. Chris talks about how it all started between them and what their life was like as a married couple, about their plans and dreams. He talks about Selena's close-knit family and of his own family. He has

obviously a lot of respect for A.B., his accounts of Abraham are diverse; Marcella Suzette are left out from the book (except for a tiny mention of both). The book complements a bit more all that has been written or said over the years. I have seen a few interviews with Chris Perez and like his so much down-to-earth personality. 0 von 0 Kunden fanden die folgende Rezension hilfreich. To Selena with love Von Selena Chris schreibt sehr emotional, man merkt es beim lesen. Nicht berheblich, schreibt auch ber Selenas ecken. Wem das Leben von Selena intressiert, ist das ein sehr gutes Buch. Bravo Chris.

Kurzbeschreibung Chris Perez tells the story of his relationship with music star Selena in this heartfelt tribute. One of the most compelling and adored superstars in Latin music history, Selena was nothing short of a phenomenon who shared all of herself with her millions of devoted fans. Her tragic murder, at the young age of twenty-three, stripped the world of her talent and boundless potential, her tightly knit family of their beloved angel, and her husband, Chris Perez, of the greatest love he had ever known. For over a decade, Chris held on to the only personal thing he had left from his late wife: the touching and sometimes painful memories of their very private bond. Now, for the first time, Chris opens up about their unbreakable friendship, forbidden relationship, and blossoming marriage, which were cut short by Selenas unforgivable death. Chriss powerful story gives a rare glimpse into Selenas sincerity and vulnerability when falling in love, strength and conviction when fighting for that love, and absolute resilience when finding peace and normalcy with her familys acceptance of the only man she called her husband. While showcasing a side of Selena that has never been disclosed before and clarifying certain misconceptions about her life and death, To Selena, with Love is an everlasting love story that immortalizes the heart and soul of an extraordinary, unforgettable, and irreplaceable icon. Includes exclusive photos!
