Von Paul Dickson : Toasts: Over 1,500 of the Best Toasts, Sentiments, Blessings, and Graces before purchasing it in order to gage whether or not it would be worth my time, and all praised Toasts: Over 1,500 of the Best Toasts, Sentiments, Blessings, and Graces:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Carpe glass (Sieze the glass!)Von Wilbur G.F.H.Like a real pro, Paul Dickson has produced, actually concocted, a rich

compendium of examples and answers to any query and questions about toasting and hosting. Getting a copy even helped me articulate my sincere attestations when I entertain a few close friends and acquaintances in my modest home; though frequently with coffee or irish cream or shandy, seldom with wine. Dickson does not preach, he guides and suggests. As your reading progresses, you easily learn, comprehend and take heart what is appropriate if perfect, and then sense what to avoid or perceive what is uncalled for when giving someone or something a toast. This book is not only amusing. It's a deliciously entertaining and concrete fount of infos and references for fledgling hosts and party impresarios. I read my copy cover to cover and felt like popping the champagne and making the wine glasses clink! For --- I've changed my e-mail address from wsimple@yahoo to w_waif@yahoo0 von 0 Kunden fanden die folgende Rezension hilfreich. Useful, entertaining and complete with just enough history. Von Ein Kunde I bartended (part time) for years and heard a lot of toasts, but no one could explain the origin of toasting. A customer bought me this book and all my questions were answered. The text is simple and easy to follow. If you are looking for a toast for a particular situation, just go to the category index in the front pages and thumb your way through. You will laugh, you will learn, you may even get a little grossed out. But all in all, if you love history and you entertain or like to be the life of the party, this is a great buy. I recommend it highly.

Kurzbeschreibung For nearly thirty years, Paul Dickson's Toasts has been the the perfect reference for any occasion where one needs to raise a glass. Organized by category, it contains sayings famous and profound, suitable and sentimental. Covering births, weddings, graduations, and other events both major and minor, Dickson also provides a history of the toast, and a guide on how to do it well. Revised for the first time since 1991, this new edition of Toasts is as useful as ever. Pressestimmen "Helpful to anyone who ever expects to be called on to give a toast." -- "Library Journal" "Helpful to anyone who ever expects to be called on to give a toast."
