**Von Dianne Briggs : Toddler Storytime Programs (School Library Media Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Toddler Storytime Programs (School Library Media Series):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent resource for toddler storytime planning Von Ein Kunde This book has it all. Whether you need a song, fingerplay, craft idea, flannel board pattern, book list, or an idea for a game, TODDLER STORYTIME PROGRAMS is the resource to consult. Do you have trouble trying to gather ideas for your storytime? (And we all know that toddler storytimes are extremely challenging.) This book will help. When I plan my storytimes this book is my bible. Gloria

Kurzbeschreibung Librarians, teachers, and others who work with toddlers will find a treasure trove of useful material in Toddler Storytime Programs. Part I of the book contains twenty-five theme programs which feature book suggestions, fingerplays, puppetry ideas, games, activities, songs, and crafts. Among the program themes offered are: Gone Fishing, Teddy Bear's Picnic, Jungle Safari, Yummy!, Daddy and Me, Toddler Snow Party, and Spring Fling. Part II features a collection of flannel board stories, poems, and songs with full-size reproducible patterns. Each selection coordinates with a program theme in Part I and has simple directions for successful storytelling. A literature index, an index to fingerplays, and a music appendix with guitar chords are also included.
